DETAILED ACTION

1. Receipt is acknowledged of the response filed on 29 May 2007, which has been entered in the file.

Terminal Disclaimer

2. The terminal disclaimer filed on 29 May 2007 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US Patent No. 7,077,312 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

3. Claims 1-37 are allowed.
4. The following is an examiner's statement of reasons for allowance:

The best prior art of the record to Clark et al. (US 6,378,770) discloses an ATM machine having a operator interface and a user interface, Dorrough et al. (US 5,287,269) discloses an apparatus comprising a processor at a credit card station for processing requested transactions, Sigona et al. (US 5,694,150) discloses multiple user interfaces.

However, Clark et al., Dorrough et al., and Signona taken alone or in combination with other references fail to particularly teach that the automated banking machine apparatus comprising a first display device responsive to the first software application and a second display device responsive to the second software application wherein the computer output a desktop environment that spans the first and the second display

device, enabling output of pointer indicia corresponding to a pointer device in the second portion of the desktop environment and preventing the pointer indicia from being output in the first portion of the desktop environment, receiving an input corresponding to moving an operating system focus from the second user interface to the first user interface and returning the operating system focusing to the second user interface as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
